Members Present.....Commissioner Greg Chilcott,
Commissioner Alan Thompson and Commissioner Howard Lyons

Minutes: Glenda Wiles

The Board met to discuss the request by Diane Baker and Dallas Erickson to place an 'Obscenity Ordinance' on the November 2007 ballot. Neither Ms. Baker nor Mr. Erickson was present for this meeting. It was noted the Commissioners received a memo the latter part of January 24th from the County Attorney which stated in part that; "Dallas Erickson has submitted for approval a petition to put a proposed obscenity ordinance on the November ballot. I have approved the petition as to form and forwarded the petition approval, ballot statement and statement of implication to the Clerk and Recorder". Due to this memo the Commissioners did not discuss this request by Ms. Baker.

Commissioner Chilcott left to attend a Bitterroot Economic Development Authority District meeting in Missoula for the remainder of the day.

In other business the Board met with Road Supervisor David Ohnstad in regard to an approval of Title Commitment and Sales Agreement for the purchase of property adjacent to the Stevensville Gravel Pit. This property was appraised at \$95,000 and is being purchased by the County for \$80,000. Commissioner Lyons made a motion to approve the Title Commitment as prepared by the Title Company, and to have the Vice Chair sign the sales agreement with the final closing documents to be signed next week. Commissioner Thompson seconded the motion. Discussion of the motion then took place. It was noted the Title Company will present the closing documents by Wednesday of next week. The Commissioners concurred the closing documents would be considered a ministerial matter and would not need to be placed on the agenda. All voted "aye".
